GitHub: github.com/Divyasri2510 | LinkedIn: [linkedin.com/in/Lingala Divyasri](https://linkedin.com/in/LingalaDivyasri)

PROFESSIONAL SUMMARY

Graduate student in Computer Science with experience in software development, AI, and web technologies. Skilled in Python, Java, and web development. Passionate about building scalable solutions and contributing to innovative projects in dynamic teams.

EDUCATION

University of Illinois Springfield – Springfield, IL
Master of Science in Computer Science | Ongoing

GITAM University – Hyderabad, India
Bachelor of Technology in Computer Science Engineering (IoT) | 2021 – 2025
CGPA: 7.51 / 10

EXPERIENCE

National Small Industries Corporation Ltd (NSIC) – Hyderabad, India
AI Intern | May 2024 – Jun 2024

- Designed and implemented generative AI models to solve real-world problems.
- Assisted in developing algorithms for data generation and content creation.
- Collaborated with a professional team to integrate AI capabilities into applications.
- Strengthened skills in machine learning, data analysis, and programming.

PROJECTS

Multi-Language Translator | Python, JSON, NLP

- Built a real-time translation tool supporting multiple languages.
- Integrated APIs and applied NLP techniques for accurate translations.
- Designed a user-friendly interface to enhance accessibility.
- GitHub: <https://github.com/Divyasri2510/multi-language-translator>

Eco-Friendly E-Lounge: Redefining Mobile Leisure & Workspaces | IoT, Sustainability, App-based Platform

- Designed a mobile workspace and leisure solution integrating eco-friendly practices with innovative design.
- Developed a ride-hailing style model (similar to Uber/Ola) offering flexible leisure or workspace options.
- Implemented multi-payment features and driver distance/ETA tracking for enhanced usability.
- Focused on reducing carbon footprint while promoting productivity and well-being.
- GitHub: <https://github.com/Divyasri2510/Eco-Friendly-E-Lounge-Redefining-Mobile-Leisure-And-Workspaces>

SKILLS

Languages & Tools: Python, Java, JavaScript, HTML, CSS, JSON, XML

Frameworks & Areas: Machine Learning, NLP, Generative AI

Soft Skills: Teamwork, Communication, Problem-Solving

LEADERSHIP & ACHIEVEMENTS

- Committee Member, Pramana 2023 Tech Fest, GITAM University
